Subject: My auto insurance story

Good morning, Amanda...

May I say....thank God an auto insurance review has begun for NL!

Here is my story:

My husband and I are 2 seniors having 1 vehicle only.
We have been insured with Munn for a number of years.

Our insurance policy for the period May 31, 2016 to May 31, 2017 was \$1,346 total; for May 31, 2017 to May 31, 2018 it is \$2,229.85 total!

AN INCREASE OF 44%! This increase is attributed to : 1) an at-fault claim on tailgate of our truck just under 2 months before the 5 year fault-free time period....plus 2) tax our wonderful government decided to add to insurance again.

I called Munn on it.....told them I would have to change companies....they basically laughed at me...lady's words were: "My dear, it's no good for you to go anywhere else...they won't look at ya...it'll be cheaper if you stay with us". I researched her comments, only to discover she was right.

My husband and I are living on \$2200 a month. \$600 rent; \$200 light and heat; \$500 auto payment; \$160 utilities; \$186 auto insurance; \$100 meds;
WE HAVE THE GRAND TOTAL LEFT OF \$454 left for food, dental, personal misc, gas, I could go on and on, Amanda.

We as seniors did not need that 44% insurance/tax increase. This is outrageous. I hope your actions can bring about change.

Please call me at _____ if you wish to talk to me....and if you would like me to sit in on any focus/discussion groups you decide to conduct, my dear, I would be only too happy to help. Thanks for your ear,
