On May 27, 2026 Newfoundland and Labrador Hydro filed a general rate application (the "Application") with the Board of Commissioners of Public Utilities (the "Board") requesting approval of, among other things, proposed rates to be effective July 1, 2027. Notice of the Application and Pre-hearing Conference was published beginning on June 18, 2026. Following the publishing of the notice, the Board received intervenor submissions from:

1. The Consumer Advocate, Ms. Adrienne Ding;
2. Newfoundland Power Inc.;
3. Braya Renewable Fuels (Newfoundland) LP, Corner Brook Pulp and Paper Limited, Marathon Gold Corporation and Vale Newfoundland and Labrador Limited;

On July 9, 2026 a Pre-hearing Conference was held in the Board's hearing room. The matters addressed at the Pre-hearing Conference include the intervenor submissions, the Schedule of Dates and the Rules of Procedure. No objections were raised in relation to these matters.

On July 16, 2026 the Board approved a revision to the Schedule of Dates to allow additional time for Requests for Information in response to a request from the Consumer Advocate.

The Board is satisfied that the intervenors, the Revised Schedule of Dates and the Rules of Procedure should be approved.

**IT IS THEREFORE ORDERED THAT:**

A document which is considered to be confidential may be viewed by the Board only, or may be released upon the conditions set by the Board.
- (c) The Board is bound by the provisions of the **Access to Information and Protection of Privacy Act, RSNL 2002 Chapter A-1.1**. Requests for access to confidential documents will be dealt with in accordance with the provisions of this legislation.

  - (iv) electronic mail; or
  - (v) facsimile.
- (c) Filing is accomplished on the date when the Board first receives the submission, whether electronically or in paper format.
- (d) When documents are filed electronically, paper copies must be filed with the Board and with Newfoundland and Labrador Hydro within 24 hours or the next business day. For parties located outside of the St. John's area, or legal counsel for parties located outside the St. John's area, the Board will allow three (3) business days for the filing of paper copies.
- (e) Documents filed after 3 p.m. or on a Board holiday shall be considered as filed on the next Board business day.

### **3. Form of Documents**

- (a) Paper and electronic filings are considered public records in this proceeding.
- (b) All paper documents filed shall be prepared as follows:
  - (i) typed, written or printed on 8½" X 11" letter size paper, 3-hole punched;
  - (ii) single or double sided;
  - (iii) each page shall be numbered; and
  - (iv) where reasonable, each line shall be numbered.
- (c) All documents filed electronically must be searchable and allow for key-word searching. This will require documents to be scanned with optical character recognition (OCR) or converted to OCR before they are filed with the Board.
- (d) The electronic copy must be an exact copy of the original signed document, including covering letters.
- (e) Upon request the Board may consider filing exceptions regarding the form of documents.

### **4. Revisions to Documents**

- (a) A party may revise any document to correct errors or to provide new information before the completion of the hearing.

- (c) Where all or any part of a document is revised, the document must be re-filed electronically in its entirety; however, only the revised pages are required to be filed in paper copy.

### **5. Number of Paper Copies to be Filed**

  - (i) file with the Board Secretary one (1) original signed copy of each document;
  - (ii) provide nine (9) copies of the original document to the Board; and
  - (iii) serve one (1) copy of each document on the other parties. If a party requires additional copies, they may make a request to the Board. If a party does not

- (c) Responses to RFIs shall be:
  - (i) filed as individual pages. The electronic copy of each response shall be filed as a separate page; and

- (d) RFIs, and responses to RFIs, constitute part of the record in the proceeding and will be considered to be evidence in the proceeding.
