1 Q. **Project C-89: Replace Vehicles and Aerial Devices, Various Sites**

2 Hydro has not assigned this project a priority ranking in Appendix A of the 2017  
3 Capital Project Overview. Please provide further information with respect to the  
4 priority ranking assigned to this project by Hydro.

5

6

7 A. Given that the annual Vehicles and Aerial Devices project involves the required  
8 replacement of vehicles that meet previously established criteria, the project is not  
9 evaluated through the prioritization algorithm, and does not receive a priority  
10 ranking.
