9 **Undertaking Response**

10 The NCC commitments represented cost estimates prepared during the Nalcor 2018  
11 budget process, in the fall of 2017, associated with the Community Development  
12 Agreement which was executed with the NunatuKavut Community Council in December  
13 2017. Hydro has been advised that the NCC related costs will not be recovered from Hydro  
14 through payments for the interim use of the LIL and LTA.
