

1 Q. **Off Island Purchases**

2 Does Hydro plan on selling any power and energy to off-island purchasers during
3 2018 and 2019? In the response include the amount and source for such sales and
4 how such sales affect Hydro's on-island customers.

5

6

7 A. Hydro does not forecast selling any power and energy to off-island purchasers in
8 2018 and 2019; however, Hydro will consider opportunities that may benefit the
9 customer and that do not compromise reliability.
