6 A. Please refer to Hydro’s response to PUB-NLH-038. The Star Lake facilities were
7 acquired by the Provincial Government under the same legislation as the generating
8 facilities situated in Grand Falls-Windsor and Bishop’s Falls and, together, comprise
9 the Exploits generation assets. Therefore, the energy purchase arrangements
10 directed under OC2017-226 (PUB-NLH-038, Attachment 2) apply equally to Hydro’s
11 energy purchases from the Star Lake facilities.
