

1 **Q. In light of Section 11.03 of the Joint Use Agreement, please explain how after the**
2 **sale, the response time for repairs will always be as good as or better than current**
3 **response times.**

4
5 A. The response time for repairs following the proposed sale of Support Structures to Bell
6 Aliant will continue to be as good as current response times.

7
8 As explained in the Response to Request for Information PUB-NP-62, trouble call
9 response time will be unaffected by the proposed sale.
