Dear Sirs/Madams:

**Re: Newfoundland and Labrador Hydro - Amended General Rate Application
Motion Day - May 20, 2015**

The Board wrote the parties on May 7, 2015 to ask that they advise by end of day Tuesday, May 12, 2015 if the motions day scheduled for May 20, 2015 is necessary. Several parties advised that additional time is required to make a determination as to whether the motions day is required.

The Board notes that Hydro filed a significant number of the 2nd round responses to the requests for information late Friday, May 8, 2015 and that some of the responses remain outstanding. Further the Board has not yet received a reply to its May 8, 2015 correspondence in relation to the information requests.

Given the outstanding responses and the comments of the parties the Board has decided that the motions day will not proceed as scheduled on May 20, 2015. A decision on the scheduling of the motions day, if required, will be made next week.

I can clarify that the remainder of the schedule for the proceeding has not been changed and, in particular, June 1, 2015 is the deadline for the filing of Experts Reports and Pre-filed Evidence. It is therefore paramount that Hydro provide the responses to the outstanding requests for information without further delay.

If you have any questions, please do not hesitate to contact the Board's Legal Counsel, Ms. Jacqui Glynn, by email, jglynn@pub.nl.ca or telephone (709) 726-6781.

Yours truly,

Cheryl Blundon
Board Secretary
