

1 Q. Please confirm that Hydro is at risk of changes in the revenue received through NP's  
2 demand charge and that these revenues are not stabilized through the RSP.

3

4

5 A. It is confirmed that demand revenues are not stabilized through the RSP, however,  
6 the risk to Hydro's demand revenues is limited since there is a minimum billing  
7 demand of 99% of NP's Test Year Native Load less the Generation Credit.
