

1 Q. **Re: Rates Schedules, page 35 of 47.**

2 Paragraph 16 (c)(ii) states: “Rates for Isolated Rural General Service
3 customers, excluding Government departments, will increase or decrease by
4 the average rate of change granted Newfoundland Power from time to time.”

5 Please explain in detail the history of the provision whereby rates for Isolated Rural
6 General Service customers, excluding Government departments, will increase or
7 decrease by the average rate of change granted Newfoundland Power from time to
8 time, and the reasons behind it, making reference to relevant Board decisions.
