

1 Q. **Re: NLH Evidence, Section 4, Schedule 1, pages 1-8.**

2 Schedules describing percentage change in annual costs and dollar change in  
3 annual costs are provided for certain rate classes.

4 Please provide similar schedules for all other rate classes and systems.

5

6

7 A. The schedules describing percentage change in annual costs and dollar change in  
8 annual costs are provided for classes and systems for which Hydro completes rate  
9 design; the remaining rate classes are set directly by Newfoundland Power, or  
10 follow Newfoundland Power's rate design directly and cannot be provided at this  
11 time.
