

- 1 Q. Further to response to Request for Information NP-NLH-118:  
2 Does Hydro believe the cost of service methodology currently in effect will require a  
3 review to address changes in system costs resulting from the Labrador  
4 Interconnection? If not, why not?  
5  
6
- 7 A. Yes, Hydro believes that the changes to the Island Interconnected System as a result  
8 of the Labrador Interconnection will require a review in the Cost of Service  
9 methodology.
