Re: *PUB-NLH-423, Attachment 1, Newfoundland and Labrador Hydro Corporate Services Charged by Affiliate #1, December 31, 2011-2015*

Undertake to confirm Is this for one affiliate or of it's for all, sort of as a charging info Hydro.

Affiliate #1 includes all non-Hydro lines of business. Corporate Service charges to Hydro would have been primarily from Nalcor.

Charges to Hydro specific to Corporate Relations, noted in PUB-NLH-423 Attachment 1, were all from Nalcor.
