Dear Sirs/Madams:

Re: Newfoundland and Labrador Hydro 2013 General Rate Application – Request for extension from the Innu Nation for the filing of its Expert Report

The Board is in receipt of a request from the Innu Nation for an extension of the date for the filing of its expert report to Monday April 28, 2014. The Industrial Customers Group further asked that the deadline be extended for all parties. As you are aware the schedule for the general rate application is very tight and the Board is concerned about the impact of any extensions. Therefore the Board will not grant a general extension of the filing date to all parties. Any party that wishes to have an extension should immediately file a request with reasons to the Board.

In terms of the two requests that have been filed the Board asks that the parties provide their comments by noon Wednesday, April 23, 2014. Also the Board asks that each party confirm that the requested extensions will not impact the May 7, 2014 RFI deadline.

If you have any questions, please do not hesitate to contact the Board's Legal Counsel, Ms. Jacqui Glynn, by email, jgynn@pub.nl.ca or telephone (709) 726-6781.

Yours truly,

Cheryl Blundon
Board Secretary
