

1    Q.    **2013 General Rate Application, Intercompany Charges and Shared Services**

2            Page 3.17, Table 3.3 - Provide the insurance expenses incurred by Hydro for its own  
3            needs and the needs of other Nalcor entities each year from 2007 to 2012 and the  
4            amount budgeted for 2013 to 2015?

5  
6  
7    A.    Insurance premiums relating to Hydro's regulated and non-regulated activities are  
8            billed directly to Hydro. In allocating these costs between regulated and non-  
9            regulated activities, Hydro uses the allocations provided by the insurance broker<sup>1</sup>.  
10           The following table shows the total insurance expense incurred by Hydro in respect  
11           of those invoices, as well as the amounts allocated out to non-regulated activities:  
12

<i>(\$ thousands)</i>	2007	2008	2009	2010	2011	2012	2013
Hydro (Legal Entity)	\$1,778	\$1,789	\$1,978	\$1,986	\$1,989	\$2,166	\$2,271
Hydro Regulated	\$1,703	\$1,783	\$1,937	\$1,960	\$1,965	\$2,109	\$2,211
Hydro Non-regulated	\$75	\$6	\$41	\$26	\$24	\$57	\$60

14  
15           While the amount budgeted for 2013 (see Finance, Schedule 1, Page 9 of 11) was  
16           \$2.2 million, as discussed in the answer to PUB-NLH-42, the amount has increased  
17           to \$2.5 million, based on the 2013 policy renewal for the premium period July 1,  
18           2013 to June 30, 2014.

19  
20           Information relating to 2014 and 2015 is close to being completed and will be  
21           provided when finalized. This request for information will be updated and re-filed  
22           at that time.
