Ms. Cheryl Blundon  
Newfoundland and Labrador  
Board of Commissioners of Public Utilities  
120 Torbay Road  
St. John's, NL A1A 5B2

Dear Ms. Blundon:

**RE: An Application by Newfoundland and Labrador Hydro (Hydro) for Approval of Agreement with Corner Brook Pulp and Paper Limited for Capacity Assistance**

After reviewing the Application and the responses to Request for Information concerning the matter noted, I hereby request the Public Utilities Board to reject this application and ask Hydro to conclude a one year Agreement only. Hydro has failed to maintain its generating assets to perform as required during peak demand and appears to have failed to have the 100MW generator in service as contracted for Dec. 6, 2014.

In light of the above, I believe that this power will be required for this Winter and should be contracted. Meanwhile, I also believe we are going to pay too much for this "emergency power" and any subsequent agreement should be rejected without a lower price for variable power.

If you have any questions, please do not hesitate to contact me, via email [danny.liberal@gmail.com](mailto:danny.liberal@gmail.com) or (709) 685-5719.

Sincerely yours,

Danny Dumaresque  
Intervenor
