

1      **Q.      Schedule B 2015 Capital Projects (p. 85 of 97) Personal Computer Infrastructure**

2  
3      **Who have been the PC suppliers for Newfoundland Power Inc. for the last ten (10)**  
4      **years?**

5  
6      A.      To ensure personal computer infrastructure is purchased at the lowest possible cost  
7      consistent with safe and reliable service, all materials and services are purchased after  
8      examining the competitive bids of prospective suppliers. Table 1 lists the personal  
9      computer suppliers by year for the period from 2005 to 2014.

10  
11      **Table 1**  
1      **Personal Computer Suppliers**  
2      **2005 to 2014**
