

1 Q. **Upgrade Unit 1 Stack Breeching**

2 In evaluating Alternative 3 the annual O&M cost was estimated to be \$49,391, using  
3 the average of the 11-year maintenance history of the Unit 1 stack breeching as  
4 shown in Table 1, page 9 of the report: "Upgrade Unit 1 Stack Breeching, Holyrood  
5 Thermal Generating Station, July 2011".

6 Included in the maintenance history, for 2006, is a total maintenance cost of  
7 \$321,000. Please provide a breakdown of the costs included in this figure.

8

9
