

1     Q.     At page 8, Hydro attempted to put T5 back into service in the Spring of 2014, but  
2            was unable to do so due to its current condition. How long has T5 been out of  
3            service?

4

5

6     A.     Please refer to Hydro's response to PUB-NLH-3.
