Dear Sirs:

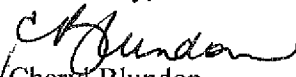

Re: The Board's Investigation and Hearing into Supply Issues and Power Outages on the Island Interconnected System – Request for Comments

The Liberty Consulting Group submitted its interim report to the Board on April 24, 2014. The parties, intervenors and public can provide comments on this report and other information filed with the Board related to the investigation by May 2, 2014. The Board requests that the parties, Newfoundland and Labrador Hydro and Newfoundland Power Inc., comment specifically on each of the 46 recommendations made by Liberty in its interim report, addressing priorities, challenges and other matters that should be noted.

In addition the Board requests that Hydro file with its submission the "integrated action plan" referenced at page 50 of its report *A Review of Supply Disruptions and Rotating Outages: January 2-8, 2014*.

If you have any questions please do not hesitate to contact the Board's Legal Counsel, Ms. Jacqui Glynn, by email jglynn@pub.nl.ca or by telephone 709-726-6781.

Yours truly,

Cheryl Blundon
Board Secretary
