

1 Q. Please refer to the response for NP-NLH-004. Have similar HVdc overhead line  
2 tower and conductor design studies been completed for the Maritime Transmission  
3 Link? If yes, please provide a copy of the studies. If no, please provide the date(s)  
4 when these reports will be completed.

6

7 A. Hydro does not have the data requested. Further, detailed design issues in relation  
8 to the Maritime Transmission Link are not the subject matter of this proceeding.
