9		111)	critical;
10		iv)	Was any attempt made to determine whether the critical customers identified
11		.,	possessed back up power generation and if same was available and to what
12			capacity?
12 13			
14	A.	i)	The specific names of critical customers is not necessary for a satisfactory
15			understanding of the matters to be considered in this proceeding within the
16			meaning of Section 14 (1) of the Board of Commissioners of Public Utilities
17			Regulations, 1996. Accordingly, Newfoundland Power is unwilling to provide
18			this information.
19		::)	No.
20		ii)	NO.
21 22 23 24 25		iii)	The basis upon which the customers were designated as critical was that they
23		111)	were considered essential to the health, safety and welfare of the communities
24			which Newfoundland Power serves. Please refer to the response to Request for
25			Information CA-NP-016.
26 27			
27		iv)	A number of critical customers have back up generation. For some customers,
28			this back up generation is insufficient to ensure full operation of the customer's
29			facilities. In addition, there will be limitations on the amount of time that a
30			critical customer can rely on its own backup generation.
