

October 2, 2019

The Board of Commissioners of Public Utilities
Prince Charles Building
120 Torbay Road, P.O. Box 21040
St. John's, NL A1A 5B2

Attention: Ms. Cheryl Blundon
Director Corporate Services & Board Secretary

Dear Ms. Blundon:

Re: Application for Approval of the Refurbishment and Upgrade of an Olympus C Gas Generator Serial Number 202204 – Newfoundland and Labrador Hydro's Reply

On September 20, 2019, Newfoundland and Labrador Hydro ("Hydro") filed an application pursuant to subsection 41(3) of the *Public Utilities Act* for refurbishment and upgrade of an Olympus C Gas Generator serial number 202204 for use as a spare gas generator for the Hardwoods and Stephenville Gas Turbines ("Application"). The Board of Commissioners of Public Utilities ("Board") issued a review schedule for the Application, indicating that Comments from Parties were to be filed by October 1, 2019 and Hydro's Reply was required by October 7, 2019.

There were no comments received from any of the Parties. Therefore, Hydro respectfully requests that the Board approve the Application as submitted.

Should you have any questions, please contact the undersigned.

Yours truly,

NEWFOUNDLAND AND LABRADOR HYDRO
