

1 Q. In paragraph 16 of the Application, Hydro states

2 It remains probable that Hydro will incur costs in 2021 as a result of
3 commissioning of the Muskrat Falls Project.

4

5 Is the foregoing statement based on Hydro's information or understanding that it can be
6 anticipated that the Muskrat Falls Project, including the Labrador Island Link, will be
7 commissioned sometime in 2021? If so, what is the source of that information or understanding
8 and when in 2021 is this commissioning milestone anticipated to be achieved? To Hydro's
9 knowledge or understanding, has this information been updated or revised to reflect the impact
10 of the Covid-19 public health emergency, including but not limited to the Notice of Force
11 Majeure referred to in paragraph 12 of the Application?
