7 A. Newfoundland and Labrador Hydro (“Hydro”) extended offers to meet with the parties indicated  
8 on page A-1 and has continued to follow up in an effort to schedule a consultation. These  
9 parties have expressed interest in meeting with Hydro, but have not been able to coordinate  
10 available times in their schedules. Hydro expects these meetings to occur after the summer  
11 months when availability improves. Hydro remains available to meet with these parties at their  
12 convenience.
