

1 Q. Please provide an update on the development of new wind projects in the southern Labrador
2 region as well as with respect to the potential development of hydroelectric sites at 5B and 8C-2.

3

4

5 A. There have been no advancements that Newfoundland and Labrador Hydro (“Hydro”) is aware
6 of on the development of new wind projects or hydroelectric sites at 5B and 8C-2 since the
7 beginning of this proceeding. Therefore, Hydro cannot provide any update beyond what has
8 already been provided.
