

1 Q. **Reference: Application Rev. 1, Volume 1, page 16**

2 It is stated (lines 3 to 5) *“Hydro has made an application for government funding, which if*  
3 *approved, will offset approximately 30% of the capital cost of this project and will be required to*  
4 *be expended in 2021.”* When does Hydro expect a decision from the government concerning its  
5 application for funding?

6

7

8 A. Newfoundland and Labrador Hydro expects a decision on its funding application before the end  
9 of 2020.
