Subject: Re: NLH - Application for Capital Expenditures for the Purchase and Installation of Bay d'Espoir Unit 8 and Avalon Combustion Turbine - Confidential Information Inquiry

Good afternoon.

On April 11, the Board requested that Hydro review its filing and revise its claim for confidentiality to limit the claim where possible, as well as to identify and justify the confidentiality of each piece of information which is filed on a confidential basis. Given the volume and sensitivity of the information involved, Hydro is requesting an extension from the April 28 requested date to May 2 for the filing of the requested information.

Thank you,

Shirley
