**Re: Application for Approval of the Island Industrial Customer Rate Adjustments Effective
July 1, 2025 – Hydro's Reply**

On June 5, 2025, Newfoundland and Labrador Hydro ("Hydro") filed an application with the Board of Commissioners of Public Utilities ("Board") for Approval of the Island Industrial Customer Rate Adjustments Effective July 1, 2025.

Hydro notes that Newfoundland Power Inc. had no comments; and, the Island Industrial Customer Group were satisfied that the Island Industrial Customer rate adjustments proposed in the application to be effective July 1, 2025 are consistent with the Provincial Government's rate mitigation direction in Order in Council OC2024-062. No comments were received from any other party.

Hydro respectfully requests that the Board approve Hydro's application as submitted.

Should you have any questions, please contact the undersigned.

Yours truly,

NEWFOUNDLAND AND LABRADOR HYDRO
