Subject: NLH Application for Approval of a Proposed General Expenses Capitalized Deferral Account - Request for an Extension

Good morning,

The Island Industrial Customer Group ("IIC") is requesting an extension of the September 26, 2025 deadline for submissions on the above noted Application to October 1, 2025. The extension is required as (i) the IIC's expert is occupied in another proceeding this week and has not had an opportunity to review the RFI responses filed late on Monday and (ii) the latter part of this week will be occupied by our formulating questions for the Hydro Cost of Service Methodology proceeding, which has a submission deadline of Monday, September 29.

We look forward to hearing from the Board in regards to this request.

Kind Regards,

Denis Fleming
