

1 Q. **Reference: Application**

2 Please provide a table identifying the following for the Island Industrial Customer class: number
3 of customers, peak demand and annual energy consumption for each of the past 5 years.

4

5

6 A. It is Newfoundland and Labrador Hydro's opinion that the peak demand and annual energy
7 consumption of individual Island Industrial Customers is not necessary for a satisfactory
8 understanding of the matters to be considered in the 2025 Capital Budget Application as
9 required by the *Board of Commissioners of Public Utilities Regulations, 1996*.
