6
7 A. The condition assessments for Bishop's Falls Office/Warehouse and Whitbourne Eastern Area
8 Depot were completed in 2017. Similar assessments for the St. Anthony and Stephenville Office
9 Facilities followed in 2018, with the Holyrood Thermal Generating Station Pumphouse 1 and 2
10 and Hydro Place assessments completed in 2022 and 2024, respectively. There have been no
11 updates to these assessments since their completion.
