Subject: RE: NLH - Approval of a Deferral Account for an Allowance for Funds Used During Construction – Comments

The Island Industrial Customer Group (Corner Brook Pulp and Paper Limited, Braya Renewable Fuels (Newfoundland) LP, Vale Newfoundland and Labrador Limited) have reviewed the Consumer Advocate's submission on the above noted Application and take the position that the Consumer Advocate's submission raises sufficient questions about the Deferral Account for an Allowance for Funds Used During Construction to justify deferral of the issue to the 2026 general rate application.

Kind Regards,

Denis Fleming
