

1 Q. **Reference: Application**

2 Provide a table identifying the following for the Island Industrial Customer class: number of
3 customers, peak demand and annual energy consumption for each of the past 5 years.

4

5

6 A. Please refer to Table 1 for the requested information.

**Table 1: Peak Demand and Energy Consumption
for Island Industrial Customers 2021–2025**

Island Industrial	2021	2022	2023	2024	2025
Number of Customers	5	5	5	6	6
Peak Demand (MW) ¹	71.3	68.2	66.8	91.0	97.5
Total Actual Energy (GWh)	421.9	387.4	334.3	448.8	506.7

¹ Industrial MW actuals reflect the sum of annual maximum customer demands (not Power on Order – actual maximums).
