

1 Q. **Reference: NP-NLH-120**

2 Please quantify the portion of the \$17.86 million change in costs shown for Island Industrial
3 Customers in NP-NLH-120 that represents a reduction in Hydro's total costs to serve customers,
4 as distinct from costs that remain in Hydro's revenue requirement but are allocated to other
5 customer classes in the 2027 Cost of Service Study.

6

7

8 A. Please refer to Newfoundland and Labrador Hydro's response to CA-NLH-276 of this proceeding.
