

1 Q. **Reference: 2027 TY Cost of Service Study; Post 2027 Rates**

2 If the annual rate adjustment process for 2028 through 2030 does not include an updated Cost  
3 of Service Study, please explain how Hydro would address a material change in relative cost  
4 responsibility among customer classes during that period.

5

6

7 A. Please refer to Newfoundland and Labrador Hydro's response to CA-NLH-302 of this proceeding.
