

1 Q. **Reference: Response to CA-NLH-197, part b**

2 Further to the response to CA-NLH-197, part b (which is cross referenced to the response to
3 LAB-NLH-020, and then further referenced to NP-NLH-110), please confirm (or explain
4 otherwise) that the forecast balance in the existing SCVDA at December 31, 2026 as filed is
5 approximately \$202.3 million (NP-NLH-110, Attachment 4, page 1).

6

7

8 A. It is confirmed.
