

1 Q. **Reference: Response to PUB-NLH-108**

2 Did Hydro receive an explanation from Newfoundland Power on the reasons for the recurring
3 pattern of shortfalls between reported available hydraulic capacity and actual generation when
4 requested by Hydro to maximize?

5

6

7 A. Newfoundland Power Inc. did not provide an explanation as to why the stated generation
8 availability in their morning report does not always meet actual generation when requested by
9 Newfoundland and Labrador Hydro to maximize on the same day.
