

- 1 **Q. (Schedule B, clause 9 (f)) How do the \$20 and the \$40 reconnection fees compare to**
2 **average costs to provide this service?**
3
4 A. Newfoundland Power's most recent cost estimate for reconnection is approximately \$75
5 during normal working hours and \$100 outside of normal hours. These costs are higher
6 than the fee currently charged for reconnections.
