

- 1 **Q. Please explain why Tables 1 and 2 provided in response to IBEW-NP-001(a)**
2 **indicate 4.0 or 4.3 FTEs and headcount in the executive category while the**
3 **organizational chart provided in PUB-NP-009 appears to show 8 executive positions.**
4
- 5 A. Newfoundland Power has four executive positions. These are: (i) President & Chief
6 Executive Officer; (ii) Vice-President Finance & Chief Financial Officer; (iii) Vice-
7 President Customer Operations; and (iv) Vice-President Energy Supply & Planning.¹
8
- 9 Page 2 of Attachment A to the Response to Request for Information PUB-NP-009 shows
10 the positions that report directly to the President and Chief Executive Officer. This
11 includes the three other executive positions referred to above as well as four non-
12 executive positions.²

¹ See the response to Request for Information PUB-NP-009 for a description of organizational changes that have taken place since the Company's 2016/2017 General Rate Application.

² The four non-executive positions include the Manager of Internal Audit, the Corporate Secretary, and two executive secretaries that provide administrative support to the Company's executives.
