

- 1 **Q. (Reference Application, EY Report, page 4) It is stated “*CSS has been extended to its***
2 ***maximum life and is becoming technically obsolete.*” Why is it not possible to**
3 **physically extend the life of the CSS given that its life has already been extended by**
4 **several years?**
5
6 A. See response to Request for Information CA-NP-070.
