Attention: Jo-Anne Galarneau
Executive Director and Board Secretary

Dear Ms. Galarneau:

Re: Approval of Compliance with Order No. P.U. 3 (2025) and Customer Rates, Rules and Regulations, effective July 1, 2025 – Newfoundland Power's Reply

On April 17, 2025, Newfoundland Power Inc. ("Newfoundland Power" or the "Company") submitted an application in compliance with Order No. P.U. 3 (2025) and to implement the annual July 1st Rate Stabilization and Municipal Tax Adjustments (the "Application"). The Application proposed customer rates and rules and regulations governing service to be effective July 1, 2025.

On April 29, 2025, the Board of Commissioners of Public Utilities (the "Board") provided that Doane Grant Thornton LLP would provide a report on the Application on May 23, 2025 and directed that comments from parties on the Application be filed by May 29, 2025 and Newfoundland Power's reply be filed by June 5, 2025.

In its report, Doane Grant Thornton LLP advised, based upon the results of their procedures, that they did not note any discrepancies in the calculations or methodologies supporting the customer rates, rules and regulations proposed the Application. No interested parties provided comments on the Application as of the date set in the Board's schedule.

Given the foregoing, the Company requests that the Board approve the Application as filed.

Yours truly,
