

1 **Q. (Reference Application) For July 2015 to June 2025, please provide a table**
2 **showing monthly electricity sales (kWhs) per customer for domestic regular**
3 **customers, domestic all-electric customers, each class of GS customers, and**
4 **street-lighting customers.**

5
6 **A.** Attachment A provides the monthly electricity sales (kWhs) per customer from July 2015
7 to June 2025, by customer class, with domestic customers separated into regular and all
8 electric.

ATTACHMENT A:

Newfoundland Power Inc. Electricity Sales (kWhs)
per Customer by Customer Group
