

1 **Q. (Reference Application) Please provide the reliability improvement resulting**
2 **from NP' s asset management program used to develop its 2026 CBA.**
3

4 **A.** Newfoundland Power's core asset management technology has been in service for
5 approximately two decades. This technology will no longer be supported by the vendor
6 as of January 1st, 2027.¹ The Company's core asset management technology does not
7 currently have the data or functionality necessary to provide calculations of reliability
8 improvement.
9

10 For additional information, see the response to Request for Information CA-NP-020 from
11 Newfoundland Power's *2025 Capital Budget Application*.

¹ See Newfoundland Power's *2025 Capital Budget Application*, report 6.2 *Asset Management Technology Replacement*.
