

- 1 Q. With reference to the InterGroup prepared table at page 4 of NARL’s April 10, 2017
2 letter submission in this Compliance Application, does Hydro consider the SAC
3 Revenue Deficiency identified for each IIC (except NARL, which is in a Surplus
4 position) to be due from that IIC (i.e \$1,862,00 due from CBPP, \$61,000 due from
5 Teck, \$1,647,000 due from Vale, or some adjustment or refinement of those
6 figures, bearing in mind that InterGroup’s calculations were preliminary)?
