

1 Q. With reference to IC-NLH-17 and IC-NLH-18 filed in this Compliance Application,
2 please provide the same estimated rate impacts to each Island Industrial Customer
3 (i.e. not only the average class impact), if NARL was reimbursed or credited for the
4 surplus collection (or overcollection) by Hydro of specifically assigned charges from
5 NARL in 2014, 2015, 2016 and 2017 from the RSP load variation credit balance
6 allocated to the IICs?

7

8

9 A. Please see Hydro's response to NARL-NLH-005.
