

- 1 **Q. (Response to PUB-NP-22) Please provide a table summarizing the occasions over the**  
2 **past 20 years when Newfoundland Power has consulted customers and other**  
3 **stakeholders regarding the critical customer list, the method used to inform**  
4 **customers and other stakeholders that the consultation was to take place, the forum**  
5 **used to consult customers and other stakeholders (i.e., town hall meetings, mail**  
6 **fliers, etc.), and the results of the consultations (Le. ) which critical customers were**  
7 **added, or deleted, from the list, the reasons for adding or deleting them from the**  
8 **list, and the feeders affected as a result of adding or deleting the customers from the**  
9 **list).**
- 10
- 11 A. Consultations with customers of the nature described in this question have not occurred.  
12
- 13 See the response to Request for Information CA-NP-016 for further information on  
14 consultation which occurred with certain emergency services stakeholders in the period  
15 January 2-8, 2014. These consultations did result in additions to the list of distribution  
16 feeders serving critical customers during that period. These additions are shown in  
17 Attachment B to the response to Request for Information CA-NP-016.
