

1 Q. Re: Recommendation 2.16 (Liberty Report, p. 36)

2 Citation:

- 3 • Shortening what we understand to be Hydro's estimation of the time for
4 completing required foundational work and generating a list and a
5 structured evaluation of potential demand side options for the short term.
6 • Making the study and analytical process and its resulting options and the
7 analysis of them transparent and available to the Board and stakeholders as
8 soon as possible, in order to expedite the process of instituting any short
9 term demand side options that may prove beneficial

10 What is Hydro's estimation of the time required to generate "a list and a structured
11 evaluation of potential demand side options for the short term"? If appropriate,
12 please provide references to other documents where these questions have been
13 addressed.
