

1 Q. **Re: GRK-NLH-046 Rev. 1**

2 **Citation from the RFI:**

3 Q. Has NLH or its parent company evaluated the risk of retrogressive spreads, downhill
4 progressive landslides or "bottleneck slides" at the North Spur site? If so,
5 please provide a summary of its conclusions, and copies of any studies
6 referred to.

7 **Preamble:**

8 The list of studies and analyses mentioned on page 2, lines 7-16 of GRK-NLH-045
9 Rev. 1 does not include mention of an evaluation of the risk of retrogressive
10 spreads, downhill progressive landslides or "bottleneck slides" at the North Spur
11 site.

12 **Please confirm that no evaluation of the risk of retrogressive spreads, downhill**
13 **progressive landslides or "bottleneck slides" at the North Spur site has been**
14 **carried out in relation to the North Spur.**

15 **If it has, please provide a copy.**
