

1 Q. Is Hydro undertaking a review of the rotating outage process used in December  
2 2013 and January 2014? If yes, identify the scope of the review and anticipated date  
3 of completion. If not, why not?

4

5

6 A. Hydro plans to review its rotating outage process used during the period of January  
7 2 to 8, 2014 as a part of the broader internal review process. Note that there were  
8 no rotating power outages in December 2013.

9

10 Hydro will share its review findings with Newfoundland Power to determine if and  
11 how changes can be made to the process to improve the impacts on power system  
12 security and customer service.
